

I will NOT buy anything anyone attempts to sell me over the phone. I do NOT wish to be bothered with unwanted sales calls. My husband is often asleep during the day and I sleep at night; sales calls would disturb us. NO we do not wish to turn off our phones in case of family emergency (and shouldn't have to).

We pay for our phone and believe if we pay for it then others should not be able to use it to annoy and harass us (and we consider sales calls harassment). We are already solicited by these companies with which we do business through tons of junk mail we have to pay to get rid of through waste disposal.

Please do not weaken Indiana's no call law.

Thank you,
